PRODUCER INFORMATION

Between Roman remains and medieval architecture of the 13th century, the estate of Preignes le Vieux immerses you into the history of the Pays d'Oc. Based in an ancient castle which dates back to Roman times, Domaine Preignes le Vieux is an award-winning family wine producer who make wines which have a true sense of provenance. Always committed to sustainable farming and winemaking, Domaine Preignes le Vieux are a wonderful producer from the Languedoc.

Grapes are picked at night to make sure they are cool when they arrive at the winery, this enhances the fruit character of the final wine. Soils are often stony and light in colour, these absorb the heat of the sun and optimising ripening from below the vine as well as directly from the sun itself. A perfectly light and fresh Rosé, with or without fresh salads. A divine aperitif.
